The Premises:

Excellent facilities. Close to town centre but with entrance off a quiet side street. Large roomy reception area with TV and comfy settees. Nice subdued lighting and also a shower cubicle in the room. Felt safe and friendly.

The Lady:

A lovely sexy lady with a fantastic figure. Definitely the best breasts I have ever seen on a working girl - Just the perfect size and lovely and firm, although her nipples are a bit on the small size. Scarlett also has a very sexy tummy and as for her bottom - wow, it could drive a man crazy - it's gorgeous. Scarlett is not one of these skinny young girls who look as though they need a good meal. She has just the right amount of meat in all the right places. She's a real woman! She also has a beautiful neat pussy which was very clean and tasted lovely. And she has a pleasant personality as well! I suppose marriage is out of the question Scarlett?!

The Story:

Scarlett did exactly as I asked. We started with some lovely mutual fondling and snogging and then (as requested) she turned into a "dom" - and a very good one too. She gave my bottom a hell of a pasting, tied my cock and balls off with her leather whip and gave them some good rough treatment, including whipping my cock and biting my balls. She's really very good!

Then onto the sex. I went down on her beautiful pussy for a while - yum, yum! and then I asked her to masturbate herself while I watched. Watching her was such a turn-on that I couldn't help but join in for a while. However, we soon put the condom on for missionary position sex, with Scarlett begging "Come on - fuck me hard - give it to me". Even with my little dick, I really felt that I was giving her a good shagging. Then we changed positions and Scarlett rode me cowgirl style - in fact she rode me like a bucking bronco - extremely energetic.

When I felt that I couldn't last much longer, I asked Scarlett to dismount and give me some oral, which she did with very great skill and enthusiasm. Finally, I asked her to finish me off by hand, so she ripped the condom off and gave me a fantastic vigorous dirty wank, spraying my semen all over the place. Scarlett is so good at what she does that my cock felt like a fire hose when she made me cum! She's quite a lady and I would definitely, definitely recommend her!
