The Lady:

Carmen's pictures are very flattering. In the flesh she was older and rounder though still with a decent bust.

The Story:

I went for Carmen primarily as I'm on the hunt for the best breasts in London, but unfortunately she was another airbrushed could-have-been. Pleasant enough with a good service and pretty much everything on offer. I could only come once as I just didn't find her enough of a turn on. If you like submissive middle-aged russian housewives than perhaps she's for you. Breasts weren't nearly big enough for me.
