Victorias Sauna is hidden away next to a Matalan. Discreet through a passageway, parking available in Matalan or nearby streets. Discreet reception area. Clean and tidy place, with various rooms available. Very friendly receptionist.

The Lady:

Went to Victorias, was feeling randy so was really just going for a basic relief. Paid 10 pounds entry. Taken to a room where you are introduced to the girls. Usually 3-4 on but 2 were late. To my surprise saw Rio who I have seen at another place a while back, she was called Anya. Rio is greaaat! If you like Exotic, she's the one, different Latin mixes in her with English. About 5ft 8, size 12, firm and large tits about 34dd, late twenties.. We get on great. Had a quick service, you know what it's like when you want to max your money!

Rio will only kiss if she wants and I got that, sensual. Had to go down on her, was her first punter. Rio hadn't had sex for a week as on holiday. Got me hard and I fucked her in various positions. When she moaned and came I knew she did as someone forgot to turn off the tap downstairs. Rio is beautiful, great to chat with and very very horny looking!

Dont know why there arnt more reports on this place? Good value for money.

Will be back, sorry girls, I'm kinda getting a flavour for Rio.

She has her own website, but sorry forgot what it's called, once you see pics you fly to see her.

Love ya Rio xx
