The Premises:

Ok sort of place , usual standard for a parlour, i belive this establishment has been going for a few years, entrance down an alley , wouldnt want to be there in the dark.

The Lady:

described as size 10-12 age 27and english. well as usual for many of these places the description was all wrong , i dont usually fall for it, but the maid sounded really convicing and enthusiastic about the girl. the truth was late 30s or early 40s peroxide blonde , over weight size 14-16 , with a fat stomach ,

The Story:

i really should have walked out , but i thougt maybe her performance would make up for it, Wrong again useless bj half hearted massage , and the rest was just crap , in all right up there in my all time worst punts , no wonder the east european girls do so well
