The Premises:

House of Divine. Clean, safe area in central milton keynes widely reported elsewhere.

The Lady:

Thai Lady, 5FT tall, slim size 6. Does not seem like she is 19 years old however, more likely mid to late twenties.

The Story:

Visited Mei on the strength of her other punternet reports. As I use punternet myself before visiting a lady I thought it was about time I started writing some field reports myself.

Mei entered the room and her initial greeting was friendly and she straightaway asked for the money which I was more than happy to pay her (this was the 1st time a lady at HOD has asked me for the money upfront). She then told me to undress myself and she left the room for a couple of minutes. When she returned she got out of her Bra and Panties and asked me what I would like to do. We started with some kissing but unlike other reports on here she did not french kiss me only soft kisses. I then went down on her and she tasted nice and smelt very clean but she did not seem to like me going deep. I then asked for OWO and she once again left the room only to come back with wet wipes and spend a minute cleaning my dick. I'm neatly trimmed down below and I only had a shower at a hotel 2.5 hours before this. The OWO was OK, not deep but a bit too much hand for my liking. Then on with the Mac and she got on top of me cowgirl after I suggested it, she joked that I was being lazy (I said to myself in my head I've bloody driven 2 hours to see you so I'm going to take it a bit easy to start off with love). Her cowgirl was very enthusiastic and I then suggested we switched to doggy and at that point she applied KY gel to my condom and herself. I gave her a good pounding from behind and as she is petite and has a small ass I could go in quite deep but after a few minutes I could sense that it was uncomfortable for her so I withdrew and suggested mish. At that point she once again told me to wait while she re-applied another dollop of KY gel to my condom covered dick and herself. After a couple of minutes of mish I came and I sensed that Mei was relieved. She commented on how much I had come and I told her that the 2nd time round it wouldn't be so much. She then suggested that she gave me a massage or a shower but as only 15 minutes of the 30 minutes had passed so far I suggested a bit more kissing and cuddling and told her that I would hopefully be ready for round two in 5 minutes. She once again suggested that a

massage would be best for me but I told her that I wanted to go for round two in about 5 minutes at which point she told me that she only had the one condom which I had just filled up. I reluctantly told her to then give me a massage which was basically really crap, not anything like a real massage, more of a tickle really. When my time was up I got dressed and left, she did not even walk me to the door like the other girls at HOD. I got back down and into my car and I could still feel the stirrings in my dick for round two and at that point I was still deliberating whether to go back up and see if Paige was available. In the end I decided to get a head start on the mad Friday M1 motorway rush and to see someone else local to where I live in the evening when I got home.

I have seen other ladies at HOD and city girls such as Felicity, Petra, Charlize and the now retired Devon.

Devon is my all time number 1, Charlize number 2 and Petra a very close number 3 behind Charlize. With Devon and Charlize especially they have always encouraged and willingly let me cum twice in my 30 minutes, and all the other ladies have also devoted the complete amount of time I have paid for to tending to my needs.

Maybe me and Mei just didn't click but as I rely on PunterNet for my punts I thought it was about time I wrote about my experiences. I have never previously met a working girl who had to continually apply KY to the punter and herself during a punt, I personally found this quite off putting.
