The Premises:

Discreet apartment above a small parade of shops. You have to ring up just before your appointment and the front is opened, it saves any embarrassment waiting on the dorrstep.

The Lady:

Tall, attractive, black girl with a lovely smile and stunning body. Nice tits, a not too big or small but a nice handful, Great bum.

The Story:

Cindy has no hesitation in kissing and undressing me. I couldn't wait to suck those pert nipples which responded to my licking and then went down to give that pussy some attention, which she enjoyed. Very affectionate young woman who also liked being rimmed. We had sex in a variety of positions and she couldn't get enough whatever way we did it. Fantastic lady, very enthusiastic, great value for money, can't wait to see her again, maybe an overnight stay.
