The Premises:

A really nice apartment very clean and found just off the main road in Stapleford

The Lady:

A very attractive lady in her late thirties. Not too good on sizes but I would guess size 12 with 36d breast, shoulder length black hair, blue eyes.

The Story:

When I booked I asked for a girl friend experience only a little bit more raunchy than you would expect from your girlfriend. As this was my first visit given directions to near to the apartment then phoned again for exact directions. When she opened the door wow! Dressed in red bra, red thong, covered with a fishnet body stocking and thigh high red boots - stunning. Started with a relaxing massage which certainly got me stood to attention. What followed was one of the best gfe I have had, not going into detail but she will certainly be on my visit again list. But I will only say that what I asked for she delivered. How can I get my wife to do things like that. Would I recommend, would I visit again? Silly question. Its now Monday can't stop thinking about her.
