The Story:

Katherina already has a couple of positive reports - and they are not wrong!

Very good English and an admission that she likes sex, which she certainly substantiated, made for an excellent experience. Reverse oral didn't seem to be on offer, but I hardly noticed as full on kissing (unusual in parlours) was enthusiastically given, together with a very sensuous proper body to body massage. Oral was covered, but was also excellent together with some ball licking and erotic anal play. A friendly attitude and decent conversation completed a great punt!
