The Lady:

As per photos - they've been airbrushed but she is fit, tall slim and her tits though small are good. Not "beautiful" but she is good looking in a kind of fuck me hard sort of way

The Story:

Good deep OWO, bit of DFK, then fucking in a few positions. She got into it but it was a bit of an act - fair play though - it was a good act. Enjoyed myself with a ferocious cum with her virtually doing the splits - then a massgae. Tried to wank off in her face but 3 tugs 2 days previous put paid to that - my fault, not hers. Just a final comment - what is it with EE girls and towels - do they not now what washing powder is?? All I ask for is a clean towel!!! Wouldn't return as the quest for the perfect 150 quid fuck continues
