The Story:

I booked Alexa for around 1am, and when I got there she wasn't ready. Don't think the receptionist told her I was coming! But we got to business. Very cute girl, boobs a bit small. She did covered BJ for 20 seconds and then proceeded to bounce on me so vigorously that I went limp! Anyway I flipped her over, and finished doggie. Still had 50 minutes left but I called it a night. She was tired. ?150 for a 10 minute fuck wasn't really worth the money but at least it was a good fuck.
