The Premises:

Kandys in Oakengates is on a secluded site with lots of parking. I felt save and secure in leaving my car outside the building and out-of-sight of the road. Very clean establishment with a friendly and helpful maid.

The Lady:

5'11" tall with legs that seem to go on forever - well at least up to her armpits. She is now a curly headed blonde. A lovely slim (not thin) body with a great smile and a dirty laugh. Dressed in a basque, knickers, hold-ups and heels that made her taller than 6'.

The Story:

Some girls barely speak or crack their faces for their customers whilst others can put on a weak smile if they try really hard.

On the other hand, you have a girl like Lou Lou who not only is great to look at but is also great to be with.

She laughs and chats and all of this enhances a great visit.

I am not going to spell out the details of who-did-what-to whom-and -when, suffice it to say that she is fun, caring, gives a wonderful girlfriend experience and is raunchy.

I have absolutely no reservations about recommending her to everyone.

Happy Birthday for next week Lou Lou.

P.S. Don't forget to ask about the chairs!!
