The Premises:

Very nice cosy little place in a well maintained South Kensington building. The area was nice and I was not in any danger or felt bad presence.

The Lady:

Mariana has a gorgeous figure and she looks much more sexier in real life. She has lovely firm tits, a truly irresistible backside that is round and peachy and her legs were nicely toned.

The Story:

I was in a bit of a rush so I quickly said hi and gave her the cash in the envelope I prepared earlier. We had a nice little chat about what she will do to me and what I can do to her, this obviously got my heart beating like a drum machine on a high tempo! As soon as I saw her pull down her skirt and tights, I was convinced that this chic has one of most fuckable ass's I've ever seen. I pulled down my pants and gave my cock to her to play with until it got hard in her mouth, boy I was in ecstasy or what. I turned her on her side and then lifted up her leg and then slide my manhood right into her, which made her moan with a sexy smile as she looked down at her pussy. I couldn't help it, it was matter of minutes mate, I had to release my load, I took it out and put it in her mouth, we took the protection off so that she can give me a BBBJ, It was to intense, I just shot in her mouth and then she slow spat it out on to my cock.. I didn't ask for seconds but I think I would have got away with it if I asked as we did hit it off from the very start of the booking. Excellent girl, well worth it.
