The Premises:

Previous good reports are true, it's a clean and welcoming place. The hallway and lounge were bigger than I expected, the room smaller.

The Lady:

Sam has the sexiest, most perfect body of any woman (WG or not) I've ever been with. The day I saw her she was wearing stockings, a little black thong and perspex high heels.

The Story:

Long-time lurker, first-time poster (I'd be dubious too, but you have to start somewhere). Sam is a friendly girl, easy to be with. She gave me a wonderful slow tie-and-tease on the X, including blindfold and feathers, followed by a glorious shag.

I've found it a bit tiresome when PN reporters so often say the photos on the website don't do the lady justice, and ask other punters to treat her well. But there we are, I can't help doing the same in Sam's case. She's a great girl.
