The Premises:

Lots of reports on this establishment. Well furnished, discrete entrance even though it's in the town centre, lots of parking nearby.

The Lady:

Mid-late 20's, long brunette hair, two wonderful attributes. About 5'5" and a lovely personality.

The Story:

Got to chat to Scarlett and Helena over a cold drink for quite a while (on and off) as the place was reasonably busy and I was in no rush anyway. Actually couldn't decide between the two, so thought I'd have them both (one after the other). Didn't work out that way because I was knackered after seeing Scarlett, so Helena will have to wait until my next visit. Lovely massage, plenty of teasing, reverse massage & 'O' and then a PSE with her kneeling before me and taking my load over her face. What a doll! Fantastic service with a wonderful girl.
