The Story:

Was met at the door with patricia wearing exactly what I had requested. led into her lounge for a nice chat before getting down to the business at hand.

I won't go into full details, but suffice to say that this was an experience that I won't forget in a hurry and want to repeat as soon as possible. I was Patricia's first client as she is new to escorting, but I am certain that she will be very popular, and I for one cannot wait to see her again. It may be a tek to North Wales, but she is nwell worth the effort. But guys, treat her well she deserves it.
