The Story:

My second visit to this lovely lady. This is high praise indeed as I rarely pay a return visit (always looking for that something extra). But this lady is special and gives that something extra - a wonderful experience and (what's more) incredible value for money! Details of sessions have been provided before in other reports; check them out. I came twice when usually I don't. There's nothing mechanical here as some WGs are, Laima is very willing and wants you to have a good time. Highly recommended!
