The Premises:

Easy to find, safe, plenty of parking, Patsie gave clear directions.

The Lady:

Very much as other positive comments, Patsie is blonde, friendly, big breasted and a very sexy looking lady. As has been mentioned, I think she has cosmetic work done to keep her looking good, and as far as i'm concerned she looks hot, as soon as I saw her, I wanted her.

The Story:

Stated with oil massage, but soon had me excited, tickling my balls and moved to sucking her tits and kissing. Patsie opened her legs for me and I went down to give oral, which I enjoy, and she tasted delicious down there, just the way it should. Moved onto the bed and Patsie gave me oral without, she is really good at it, and after some really noisy wet n hard gobbling had me spurting loads. All in all, very enjoyable time with a sexy woman.
