The Premises:

Scorpio has been described many times before. It's my favourite sauna in Edinburgh and is always clean with lovely ladies available.

The Lady:

Tall redheaded Scottish lass (from Fife) with cracking legs and a a good figure (not at all overweight but not too skinny either). Very pleasant smile and some tatoos on her back and arms. Nice breasts (not too big but certainly not small) and shaved down below just the way I like it.

The Story:

Gemma was absolutely fantastic, I can't understand why other punters haven't reported on her before. We started off with a massage and some chat, which was very pleasant and then moved on to I guess what you might call a GFE if you have been very lucky with your girlfriends. Started with some French kissing and gentle stroking and then moved quickly to OWO. I couldn't wait to go down on her and enjoy the view of those lovely long legs from behind. She seemed to enjoy this and then we moved onto her sitting on my face and fantastic 69.

After she had finished on my face (she said afterwards it was real), we then moved on to doggie style which was deep and hard. I began to cheekily play with her ass and she seemed to be quite into it so I thought I'd chance it and and ask if anal was on the menu. Indeed it was, but what happened next took me by surprise as she guided me into her ass with only some saliva for lubrication! Oh, my, God. It was so tight in there I could only last a few minutes and I exploded in her ass soon after.

I'm going to have a real problem staying away from Scorpio now, as Gemma is right up there as one of the best ever. A really lovely girl who seems to be up for just about anything reasonable.
