The Premises:

Just down the road from Earls Court Tube Station, nice area, the flat is very clean and I was made very welcome

The Lady:

Danni is a very sexy lady, she has a pretty face with stunning brown eyes. A curvy yet slim body, she was dressed in black lingerie, she looked absolutely stunning

The Story:

Danni came in and introduced herself we had a kiss sorted out the finances and agreed on what was going to happen. As this was my first time at the London Retreat and me not being into the heavier side of BDSM we discussed what could and couldnt be done in the allotted time. She then left whilst I sorted myself out and I was told to be kneeling on the floor when she came in. Danni walked in and all I can say is my time in there was a blur, we started with some foot worship, then I was tied to the cross for some tie & tease. After that it was onto the bed for some anal play and sex. I finally came after a fantastic oily hand job over her lovely tits, all this with her administering poppers to be throuout the time I was there, she then cleaned me up and we had a nice chat whilst I drank my now cold coffee. As I said before first time there and definately not the last, see you again Danni
