The Lady:

Sasha is a very beautiful woman about 5' 8" in her stocking feet with a wonderful size 12 figure. Her legs, which you think go up to her armpits particularly when she is wearing heels, are another of her wonderful assets. Her skin feels very soft and although she admits to being mid forties she could be taken for younger. When I originally saw her photos on her website I was immediately turned on but in the flesh she is just out of this world.

The Story:

On my arrival and the door was opened, I could see she had dressed exactly how I wanted in a blouse and skirt. My jaw must have nearly dropped to the floor with the vision in front of me. Any man would be proud to have her on his arm. I was welcomed in a very warm and friendly manner and offered a drink. After this we had a discussion to get to know one another. I then followed this vision of beauty to the bedroom. What went on there is between ourselves but I will say that her back and body massage was out of this world. I could have received this all day.

It was the best GFE I've ever had and I can assure you I'll be back again for more.

This lady puts at least 110% into her work and if it's just a quickie or a young bimbo you're after don't bother calling. If, like me, you want quality with a touch of maturity, then Sasha is the lady for you. Another of her many good points is that she is exceptionally clean and expects the same from you, everything is covered which again pleases me.

I can only highly recommend Sasha and, to me, she gives the best value for money.
