The Premises:

Reasonably clean place abd shower, but my mind was how soon I was empty my load in her mouth !

The Lady:

Cute, petite Blonde with nice tits, very kissable lips and fuckable pussy !

The Story:

My pocket full of money and my boys full of sperm, wanted to empty in a Blonde?s mouth. Picked Brooke.

She gave me an open mouth kiss as I entered. She smelled delicious as I held her tight to my body and rubbed her tits slipping my hand under her dress, she smiled and my cock knew that it was going to have a sucking good time with this whore?s mouth and pussy!

After sorting out gift, she came back to m arms, planting her tongue in my mouth and asked, 'Where you want to Cum, honey?? I cupped her ass cheeks and slowly fingered her pussy and said, ?First here? and gave her a wet kiss on the mouth again, ?and then here, OK with you?? She smiled and squeezed my cock in agreement.

Soon, we disrobed, kissing constantly, and me rubbing and squeezing her tits. Her tits are not too big but beautiful. Naked, she started to stroke my cock, smiling at me and then took it in her wet, wonderful mouth, while I was lying on the bed. Soon, the major was hard. I put her on her back and slipped my covered dick in her tight pussy, and started to pump her.

Mish is my favorite as I can kiss her mouth and look into her eyes and see the wobbling boobs with each stroke. Soon, with my mouth glued to her mouth, tongue deep in her mouth, hand rubbing her tits, with one deep and powerful stroke, I came! It was great!

She cleaned it up and snuggled close to me and cuddled. We started kissing and soon the major was getting ready. She sensed it, smiled at me and started to stroke it again. She gave another kiss and asked,? Ready to fill my mouth?? Yes, I was ready!

Soon, she engulfed my member into her pretty mouth, after kissing it and running her tongue all over it. It is so exciting to see my cock going in and out of a beautiful girl's mouth, her hands massaging my balls, her lovely eyes looking smilingly at me, and I knew that she was waiting for me to empty my load into her mouth. Her tongue started flickering; mouth tightening on the knob, she pressed one finger close to my ass and touched it. This was too much! I emptied an entire week's saved load in her mouth. She did not let go of my cock but kept it in her mouth until the second residual jerking filling and then slowly licked it off with her tongue, never looking away from me. She must have swallowed my Cum! It was ecstasy. Good, good girl!

After a few minute, I got dressed, and for one last time, pressed her to my body, and left with full satisfaction.
