The Lady:

Lithuanian. Rather Scandinavian-looking: blonde, tall, big-boned, well-upholstered - she rather reminded me of the sort of happy, healthy-looking girl you used to see in the pages of 'Health & Efficiency' magazine - which I'm sure shows my age! Lovely smile; not particularly large breasts, but a nice shape, with responsive nipples; one small, reasonably tasteful, tattoo. I thought she was lovely.

The Story:

I had a choice of two girls, and unhesitatingly went for Gabi, who looked happy, smiley and welcoming. I decided to go for the 'basic' half hour service for ?60, which includes oral, sex and massage. Apparently there is a long list of 'extras' you can ask for, but I didn't see it. I later learnt that mouth to mouth kissing is one of these, but in fact some did later occur spontaneously in the heat of the moment.

I didn't particularly want to start with a massage, but with by lying together and cuddling for a while - and kissing all over her lovely body is certainly include within the 'basic'. This was followed by a bit of oral (with), which she did nicely, and then sex in mish. She gave a very good impression of enjoying herself - in a natural rather than an over the top, fake-seeming way. I came inside her; after cleaning me up she offered to carry on massaging me for a bit, as we still had some more time.

I went away happy - a lovely experience with a really good-natured, happy, smiley, good-looking girl
