Blonde, Brazilian and attractive. Good sized breasts, probably a D cup. Easy to get on with. No language problems as she has been in the UK for some time.

The Story:

This was a really good punt considering I picked it out of the local paper as I had not seen the advert before. The place has only been open a couple of weeks and there are a number of girls on a rota basis. Two available and chose Vanessa. Started with plenty of deep kissing followed by oral both ways (without). Then into 69 and finally sex in a couple of positions. I will return for sure.
