The Lady:

Linzi is a stunningly sexy brunnete, early 30's, curvy (size 12-14) with a seriously large pair of tits and lips which could suck your foreskin clean off.

The Story:

Linzi is one of the rare girls these days who is all about her customers. She made me feel welcome with her warm, charming personality and we were soon chatting like old friends.

As for the sex, this lady is just as comfortable giving the pornstar experience as the GFE. At the very start she demanded that i cum at least 3 times before i left. Alas that was beyond me!!! Stood while she administered some amazing owo then moved to the bed so she could get her hands (and toys) on my ass while she sucked me. After some fantastic time servicing her with my own lip service I finished off by taking her inviting pussy from behind.

Its getting harder and harder to find good punts these days but i defy anyone not to have a great time with Linzi, mainly due to the effort she puts in and the obvious enjoyment she gets out of it.

Go See her !
