The Premises:

Nice basement apartment in Paddington a short walk from tube. Lovely big comfortable bedroom and basic but nice ensuite shower.

The Lady:

Stunning 6 foot beauty. A body made for admiration.

The Story:

Nika is a real stunner. Taller than advertised...she said that she was 184cm which is just over 6 foot...and a body that was built for action!!! Amazing tits, beautiful firm ass and a smooth wet pussy from heaven! All over tan also. As you can see I was impressed. DFK was fantastic and OWO with CIM was performed with much enthusiasm. Perfect GFE...almost forgot I was with an escort. Lovely personality...a little abrupt at first but quickly warmed up. Even though her english isn't great she is able to hold a decent enough conversation. Would see her again if I was in the area.
