The Premises:

Clean flat on a wide and anonymous road a short walk from either Paddington or Royal Oak stations. Large bed, functional shower. A safe area at any time of day.

The Lady:

Nika is a very attractive and very tall young Polish woman. The photos on the website are definitely of her, but in the flesh she is more beautiful and even radiant - lovely smile, sweet personality. Over six feet tall, Amazonian in her heels - wonderful. Her body is toned and skin exceptionally smooth. Long, long legs. She has one tattoo, medium-large, across the small of her back. She's been here only for a month and her English is limited.

The Story:

After thorough leg and bottom worship, I enjoyed excellent OWO while Nika sensuously wanked my cock with her saliva covered hand. Ball-sucking was expertly administered on request. I indulged in lengthy reverse oral on her puffy and sweet, hairless pussy. She didn't want me touching her anus but was ok with my rimming efforts.

We had sex in cowgirl, doggy and, when Nika reminded me that my time was nearly up, finished in mish. Kissing was not available.

Highly recommended if you like tall girls with legs that go on forever. She has a pleasant manner, very smiley, and gave good, energetic service.
