The Premises:

Nice, clean and discreet flat in an easy to reach location, large free car park very nearby. Room slightly small, but only because I sometimes like to crouch or stand at the foot of the bed during the action.

The Lady:

Paris' website tells you all you need to know: she is neither a waif nor a bbw, just all woman and very sexy with it. Her contact number is 07939 549043 btw, the FR form seems to list an old number.

The Story:

Paris is well reviewed and justifiably so. She immediately put me at ease with her warm and open manner, and by the end of the appointment we were chatting like old friends (until well past the booked hour, too).

And she certainly knows how to show you a fantastic time in the bedroom. Her oral skills are amazing, and though I know this is an old cliché, her obvious enjoyment and ease with what she does just shines through. As Paris says, she doesn't see it as a profession, more a lifestyle.

I don't punt very frequently these days, after my regular girl retired a few years ago and I've since found it hard to find a high level of service. But I left Paris feeling completely satisfied and already looking forward to a return visit.
