The Premises:

Well-run parlour with good facilities, as previously reported. Multi-storey opposite, but a long walk for the nearest cashpoints! Entrance is on a main road, but you can walk straight in the outer door without having to press any buzzers.

The Lady:

Mid-twenties, short-haired brunette, about 5'8", slim, with no piercings or obvious tattoos, natural tits (34DD I think I was told). Not conventionally pretty, but a lovely smile that crinkles around her eyes.

The Story:

I was given the choice of two girls (two others were occupied with another punter), and although I could have waited to get a full choice, I chose Louisa as she was very much "my type" physically.

Louisa kissed me with real passion, and once I got hard (very hard I must say) she took my cock in her mouth with enthusiasm. She kept her fishnets on, which she looked great in. I was really in the mood for some cunnilingus, so asked for my favourite position: me laid on my back, whilst she kneeled over my face, and proceeded to give her clit a good licking. She returned the favour, then it was on with the condom, and she rode me cowgirl till I came.

Louisa told me she was new to the business. Her friendly attitude and what seemed like genuine enthusiasm for the job should mean that she will do well.
