### The Premises:

Regular Maxes Place on Sloane Avenue apartment block. When I visited the bathroom light was working, the passageway by the door had been boarded, the refurbishment was complete and the flat was in immaculate condition so all boxes ticked for me there

### The Lady:

Petite, sweet looking like the pictures with one of the most beautiful eyes I have seen. She greeted me in a revealing dress and massive heels

### The Story:

Initially she was not the most friendly, I think it was cause she was a little nervous. After handing the money, being fixed a glass of wine and a few minutes of chit-chat she does warm up though. She later explained how it is in the first few minutes which is understandable.

We started kissing and groping each other before moving to the bed. She began touching my cock and proceeding to give oral. I thought her lapdancing experience may have paid off in that she's able to touch you, sit on your lap in a really sexy way. Sex in a variety of positions was great--she loves doggy the most. Wasnt very keen on a facial so I didnt push it, pounded her a little more on the couch and on the ledge by the stove before coming inside her. Some more chit-chat and another glass of wine before another round of oral and sex.

Definitely a good punt, she did go off the site for a while a few weeks after my meeting but has now returned so I may just pop over again. Overall I think in terms of recommending--the vast majority of people will love her but a small minority may feel quite differently. She's more a tender GFE and not PSE and more for a sensual rather than hardcore sex type of guy. Either way--I was in London for 2 weeks in April and did have the pleasure of seeing a couple of PSE stars from the agency
