The Story:

Had booked Estelle and had waited almost a month to get a booking but 1/2 hour b4 meeting told by agency that Estelle was unwell. How dissapointed was I? Agency quickly arranged Louisa and I had 25mins to get across London by public transport on a Sunday! Had no choice, Made it with 2mins to spare. Absolutely knackered and not in the best mood. All credit to Louisa but she is nothing like Estelle. Spent the next 2hrs having a suprisingly good time various positions,owo is ok but not great and when Louisa cums you really know it.

No cim a+ or fisting but she does have an intresting variety of toys.

Loves sex a little dirty talk v enthusiastic. Be warned whilst fingerbanging her I felt my shoulder click then crack and i,m still on the painkillers. She should have a health warning attached. A mixed FR I am sure I would have preffered Estelle.
