The Story:

Where do i start wow what a lady. Took a lot of time in choosing Patricia read all her reports and thought this cant be true, how wrong i was. Arrived after some confusion about the time but well worth the wait. Greeted by a beatifull lady with the sexiest eyes i have ever seen led me into the bedromm and just planted a very warm sensious kiss on me that sent my legs into a quiver, the kiss just went on and on with her undressing me at the same time then her hands started to wander oh my god as she slowly stroked my dick through my pants thought i would come there and then. Progressed onto the bed where she went down on me, the most wonderfull bbj i have ever had to completion. Lots of kissing and cuddling this lady knows how to please a man. Another bout of her wonderfull kisses and oral soon had me hard again went down on her to find the sweetest wettest pussy i have had the pleasure of licking we ended up doing something very very special all i will say is my cock was very wet indeed and with a lot of verbal encouragment came on hr clit. I could go on and on about this lady all i will say is she is simply sex on legs and knows how to treat a man. Thanks Patricia for a wonderfull time i'll be back soon and i can't wait. You are a star.
