The Story:

Well what can I say? this party totally lived up to its previous reviews!

Three stunning ladies all cavorting together when I arrived slightly late.

Sable instantly pounced on me and began bbbj and I was in heaven!! didnt even have time to finish my beer before she was riding me to completion on the sofa!

All I can say is these ladies never stop! For the 3 hour party there was constant fucking and sucking action. Lovely Darcy is a little dynamo of energy she whisked me upstairs and we did 69 each other etc.Also Melinda who is a great kisser and has beautifull lips amongst other things!

Not wanting to bore anyone reading this by repeating what previous reviewers have said, however I really must remark that these parties are great fun and good value with a friendly relaxed atmosphere. Jake is a great host and the ladies are to die for!So give them a go!
