The Lady:

I had been looking at Tori's pictures for some while and thought she looked very sexy, but was surprised that there seemed to be no reviews for her. Had a free afternoon and decided to ignore the lack of reviews and phoned Susan for a booking ? all efficiently done and in less than an hour, I was in the presence of a total gem.

The pictures are truthful and yet totally miss the character of this lovely girl ? she is everything you hope to find in an escort (though rarely do) ? she is bright, happy, VERY energetic and a totally lovely person. She is wonderfully tall and slim ? kiss-me breasts, legs that go all the way up to heaven and an arse to treasure. On top of that, she smiles continually.

The Story:

All of this beauty would be wasted if she couldn't deliver on the sex, but she is clearly willing and able to give whatever the client needs. Having sorted out the money & call to agency with the minimum of fuss, we were undressed in a few seconds. I wanted a shower and said she should come and join me. Clearly not normally part of her repertoire, she didn't hesitate but joined me happily. The pleasure of being kissed, washed and fondled by such a beauty, whilst soaping and stroking her young body was exquisite, and because I was in no hurry to stop, neither was she.

The rest of the time was equally perfect. She came explosively after a delightful session of DATY, gives sensational oral, and the vision of such a beauty riding cowboy to orgasm on you is a total dream. A couple of minutes recovery and interesting chat, and more wonderful sex any way the client wanted ? this is escorting of the very highest order ? you'd all be mad to miss this ? she's around for a couple more months, form an orderly queue of guys.

I regret putting off going to see her for so long, but will be back for some more of this treat as soon as possible. Yet again Touch of Class has met my wishes to perfection ? thanks Susan, you and

your girls are the best there are.
