### The Premises:

Parking available on street outside. Entry is via an iron gate and then an entry system. Location is relatively discreet, but could be improved. Its sandwiched between a parade of shops above a cafe. Not sure if locals are aware. Inside place is nice, clean and safe, oblivious to the outside. Felt safe inside.

### The Lady:

Sandy is in late 30s, 5'8" tall and size 12. She has shoulder length auburn hair with highlights and long shapeley legs. She has a cheeky smile which she wears well with her sexy eyes.

### The Story:

Charming classy lady with a good sense of humour. She builds rapport quickly. Certainly makes you feel at ease immediately. Not into providing graphic details of what took place between us. Suffice to say that everything requested was provided. Sandy has a particular speciality, which she is renowned for. Everything was conducted in a no rush manner, and felt at ease throughout. She did not disappoint. My only concern is that Sandy only works on Tues-Thurs I think, so its not possible for me to visit her more often due to location and timing. However, she assured me that she does outcalls and would be happy to see me outside.
