The Premises:

Her home was very clean, I felt quite safe parking there, just away from the busy roads, which was nice!

The Lady:

Ebony, Size 12, 34DD, long curly hair, gorgeous too

The Story:

When she opened the door, she said hello and instead of hugging me and giving me a peck on the lips, she put her tongue down my throat! And started French kissing me! I knew then I was in for a WiLD ride for the next 2 hours, and I was right!

She is Gorgeous! Curves in all the right places! Lovely pair of suckable breasts!

I class Paris as the ?WOW? factor; she WOW?D me for the entire appointment! She certainly knows how to please! She talks as if she knows you and puts you at ease straight away. She has a great bubbly personality and she was really enjoying her self, and you could tell!

I will not go into details but she done a lot of things I asked and more! Her Hot Tub was very sensual! Us two alone in a steaming Jacuzzi where she ?played? with me against the water jets, I was in Heaven!

All her previous reviews are 100% correct I certainly would recommend her to everyone! Will probably book 2 of them next time!

Thank you Paris, you made my week!

Take Care! xxx
