The Premises:

Serviced apartment in a smart and modern looking block with a balcony overlooking the street. Clean and tidy.

The Lady:

Two ladies present for the Bukkake party and photo shoot, Lucy - Tall English blonde with enhanced breasts and a good figure & Diana - Cuddly Polish girl with big tits and a cheeky smile.

The Story:

After directions from Steve, the organiser, about 8 of us met up in a bar near the apartment for a drink and then headed up in groups of two's and three's.

When I arrived upstairs Lucy was already undressed and looked great. Unfortunately, which was not made clear at the time, she did not do oral without so there were a few guys just getting hand jobs and playing with her tits and pussy.

Luckily Diana had agreed to help out at the last minute and was kneeling on a cushion in the lounge area with nothing much to do! I wandered over to say hello and about 5 seconds later she had her mouth wrapped around my cock. Initially I think that the idea was for Diana to act as a fluffer to get the guys going but with her technique she could have easily been the main event! As I had been looking forward to this party for some time I had saved up quite a load and it was all I could do to hold back while she deepthroated me. I remember Steve taking a series of photos which demonstrated her "Now you see it.... Now you don't....." skills.

After a while I knew that I was on the brink and pulled out of her lovely mouth (Which she seemed a little upset about!) and made my way over to Lucy who was lying back on the bed. After a couple of strokes I erupted all over Lucy, adding to the considerable amount of come already dripping down her smiling face.

After a breather I decided I was ready for round two and as Lucy was preoccupied with a distinctly "memorable" guest I went over to see Diana again. At this point she was entertaining a couple of

other guys already but as soon as I approached she made a beeline for my revived prick and started sucking again. With her alternating between three of us and my more relaxed state I was able to enjoy this BJ for a lot longer and after about 15 minutes she asked if anyone wanted to come on her tits so I duly obliged and shot my second load all over her nice big breasts while she made appreciative noises.

All in all this was good fun although I went to see Lucy I ended up having more fun with Diana!
