The Premises:

Busy parlour in discrete location in Chalton Street near Euston. Large place with 10+ girls working. Quite a few men there, some as staff and some as punters so wouldn't want to visit during a busy time.

The Lady:

20 year old English girl from Leicester. Photos on the website seem to be her as far as I can tell. Quite pretty. Medium build. I would guess C cup 35 hips. Dark hair.

The Story:

I chose Brandy because she was (1) quite pretty and (2) had a nice sweet smile. She was a good choice. She's only been working for about a month here so is still friendly and keen. She did the business very enthusiastically - mainly with her on top. God knows how she keeps going 10 times a night. Very much a girl-next-door type (in a good way) both in appearance and manner. Usually I only visit these places when all else has failed, but with Brandy I may actually return! Nice girl and good at sex.
