### The Premises:

Been open for years, I returned after not visiting for about 3 years. Still safe but traffic & parking is a nightmare. Entrance is down a back alley which is a bit seedy but once inside the flat is average+.

### The Lady:

Pretty, 26yo, thin blonde, (I do like thin women) If you don't like slender legs & spines showing when she bends forward, she's not for you. But I adored her, tits small but on her slender frame they didn't look it. Shaved pussy & no piercings or tattos that I noticed. Dressed in stockings & flame red basque & thong. Hanging up was a shoolgirl uniform, which I think she'd look realistic in with her figure & looks. She'll be wearing that when I next have her (which I will do). She works at the moment on Saturdays & Thursdays.

### The Story:

I went for the all services, so I had a massage, we both did oral on each other, as well as having anal & watersports. Before she gave watersports I watched her playing & fingering her pussy before her pee flowed out. she was happy to be gently fingered up her bum, god that was tight, & she was happy to do kissing on the lips. In fact she seamed pretty much at ease with herself. Better still there was no rushing.
