The Premises:

Enough reports from this excellent establishment for people to know what it is like!

The Lady:

Slim and very attractive young lady and very well described in her profile on their website. She has a superb slim figure with short dark hair and beautiful breasts with slightly inverted but very receptive nipples. Shaven below and extremely tight in a certain area!

The Story:

I had given up punting pretty much but after reading the 2 reports she has so far decided that this was a suitable location for a brief break from Christmas shopping!

After a great laugh and chat with both Cassie and Amanda, I waited for the rather busy new lady called Electra. I did not actually see her until she appeared in the room and I am forced to agree with a previous report that she is a really gorgeous young lady. Initially we chatted and it soon became apparent to me that she is intelligent and capable of very enjoyable conversation indeed. We moved on to having some fun which consisted of various items which I thoroughly enjoyed. I would have to say that this young lady is very keen to please indeed and is basically one of the most beautiful girls I have ever cuddled close to me in any situation. She is exceedingly attentive and has a wonderful manner so if anyone out there would like a close and sensual GFE, this is without doubt the girl for you. If you want something raunchy and pornographic, I am sure you will find a girl elsewhere as this delightful young lady genuinely deserves to be taken care of and respected.

She is basically just utterly beautiful!!
