### The Premises:

Near Luton Town Centre, quiet street easy parking and can walk in off the street without being noticed. Clean inside with two large double bedrooms being used

### The Lady:

Early twenty;s exceptionally good looking Blondie Polish girl. real class and there to please.

### The Story:

Just like being with the girlfriend. Started with some real good french kisses no holding back. Took my now hard dick uncovered it;s full length no problems. Treid every position I wanted and more particularly loked the all over caressing and I mean all over. Finally finsihed on top, lost a lot of weight in the process but what a shag!!!
