The Premises:

Very neat flat on third floor in a fairly quiet area between Bayswater and Royal Oak Station. Warm and comfortable surrounding with shower.

The Lady:

Lolita is a delightful 19 year old girl with a constantly smiling face - extremely cute. She is half Brazillian and half Polish and has a very sexy accent. Pictures on website are accurate but she was a little taller than I expected - about 5ft 7. I imagined she was quite petite.

The Story:

Lolita has a lovely personality. She has only been escorting for a few weeks but is very eager to please.

I like a full girlfriend experience with lots of kissing, cuddling and fondling, which we did for most of my time with her, starting in her living room and progressing to the bedroom. She gives deep kisses with tongues and is very passionate - she really gets into it - fantastic. I always love to stimulate the girl and she responds well to fingers.

I don't usually have full sex with WGs - I like to finish off with OWO which she is only too happy to offer, taking my spunk in her mouth. She does not like facials though as I asked at the beginning. After a little chat and a shower it was time to go.

A very nice young lady who makes you feel very good - take care of her!
