The Premises:

Nice little house, nicely laid and welcoming. Parked right outside, felt completely safe.

The Lady:

As her website describes her, a pretty asian girl, great body.

The Story:

Welcomed me in and gave me a glass of wine, which was nice to relax me. We chatted for a bit and then went up stairs. She gave me great oral (without) and then we had sex in three or four different positions. I will leave the rest to your imagination.

Afterwards we chatted for a bit and she gave me a great back massage - I could have easily fell asleep it was that relaxing!!

Never been to an escort before but thoroughly enjoyed the whole experience. My only disappointment was that I had not booked a longer appointment as I was ready to do it all again!!! My fault but I'll know for next time!!
