The Premises:

Very clean and nice area about 10 minutes from South Kensington Tube. Perfectly safe and quiet road.

The Lady:

Russian, very good looking, not a stick insect but slender. Perhaps a little heavier waist down than one would be expect given her "upper half".

The Story:

Started quite promisingly with a glass of wine. However, the phone rang a few times which she answered (and talked to the person each time for a few minutes) and it was clear from then on that she had other plans (meeting up with friends).

Minimal amount of kissing and was not keen on reverse oral or for your hands to wander too much. Caught her staring at the ceiling a couple of times. Phone kept ringing, so decided to end it as quickly as possible.

Have never had the bad fortune to encounter a "bad lady" or to be "short changed" before but today I was in and out of the flat in 30 minutes when an hour had been paid for.

Perhaps if you catch her on a good day she would be good but today simply made you feel like a processed piece of meat.

Definitely not a recommendation, unlike the other ladies on Pasha.
