### The Premises:

I really like Intimate Massage - clean, discreet, very friendly management and always made to feel welcome and important

### The Lady:

About 5'6" I would hazard a guess at; dark shoulder length hair, pretty and in possession of a cheeky face and even cheekier mouth. Lovely tits and nice body all around

### The Story:

Enjoyment for the mind body and soul. Good to chat to, saucy as fuck, clearly an educated and bright bird - she's a scouser though so check for your tyres afterwards.

Really got into it and we had a great, energetic and pleasurable time - nice OWO, really good shag too - and she responds to the principle of giving is better than receiving

Hope she sticks around, really good service and great fun too
