The Lady:

Stunning! A truly beautiful lady in her late twenties with the hardest and most toned body you could imagine. Small but pert breasts and an arse to die for, especially in her schoolgirl uniform. Those who like curvier girls may want to look elsewhere, but Leanne was perfect for me!

Intelligent girl as well and held great conversation during those moment when she didn't have her mouth full.

The Story:

Totally cool, totally gorgeous lady who made me feel welcome from the off and looked genuinely disappointed to see me leave. This is clearly a girl who loves having sex and she also happens to be very good at it. Fantastic BJ that made me blow my load within about a minute which was quite unusual as I don't usually come from BJ's - so this girl obviously has one hell of a technique!

Most things were on offer, great kissing throughout and we had sex in several positions, I think the orgasm score was about 2-2 after the hour was up! Leanne got out her vibrator half way through and we had some right fun with that!

Can't understand why she has had no other Field Reports yet, but here's the first one anyway! Definitely recommended, though I may not return as I feel ?250 is maybe slightly overpriced when considering the amazing Estelle is still available for ?200. Love to catch up with her a party some day though.

Great fun with a great girl all the same so, as always, treat her with respect guys and you will have lots of fun!
