The Premises:

Terrace house in quiet street not far from the centre of Leicester. Lots of parking close by. Charlotte's house was nice and cosy. It was comfortably furnished with subtle lighting.

The Lady:

Wow Charlotte looked amazing. She is a pretty brunette with mischievous blue eyes and a cheeky grin. She is a very curvy girl in her mid-twenties and around 5'6 tall. Charlotte was dressed in black as requested. She has the most amazing huge breasts and fantastic soft smooth white skin.

The Story:

Charlotte is a very intelligent person who is very well read. You can talk to her about anything and she has a good philosophy on life. She has a good sense of humour too and has no airs and graces.

Charlotte is a very passionate woman and clearly enjoys sex. She is a great kisser too. It was great to hear her talk total filth. I enjoyed every minute of being with her.
