immaculate new apartment with underground parking.

### The Lady:

Meet Layla and you realise Nature has excelled herself. She is absolutely stunning with long dark hair, captivating eyes and the most fantastic figure. Her skin is soft, her perfect body firm in all the right places and her breasts - I didn't think it was possible that they could be so perfect. She also has a voice with an accent you'll lose yourself in (I promised I wouldn't reveal where it's from!)

### The Story:

We chatted for a while - she's a great conversationalist and I just swam in that voice. Then it was into the bedroom. A superb massage was followed by OWO, 69, sex in various positions and ended with the most divine cuddles. She is genuinely special - the previous FR (and it's shocking there's only one) describes her down to a tee.

You will not want to leave Layla - she has a dreamy touch, a very giving nature, she's sensitive in every way. This is a true experience. See her and you'll know what I mean. O when can I go back to Leeds...
