The Premises:

Good hotel in Norwich

The Lady:

Better than the pictures on the site. Good slim body and fantastic tits. Cute naughty smile. Rubbish at guessing ages but mid-20's seems about right.

The Story:

I've seen Laura a few times now and yet to be disappointed. She works from a different hotels in the city but always decent places.

Started with a quick chat and she couldn't wait to get hold of my cock practically pouncing on me and giving a very enthusiastic OWO.

Really went for it and sucked me dry.

After a little rest and me returning the oral favour moved on to full sex in different positions, says she loves doggy. So did I!!

Great girl, very cheeky but really puts you at ease.
