The Premises:

Right on Queensway, in a big block of apartments. Very easy to find, not so easy to park near, but safe. Her place was what I would call a typical starter pad. Somewhere that a WG has as her first place. Untidy, needing a bit of Laurence LB's tlc. It was a bit of a dump, but I've been to worse.

The Lady:

Margo's photos are of her, but she's slimmer than the photo's suggest, possibly a bit too slim. Her hair is short & blonde & styled just as she is show on the site. She answered the door wearing bra & knickers with a pair of black lace stockings & high heeled shoes. She also had a dress / nighty thing on. I wouldn't have called it sexy, but I think the room was putting me off.

The Story:

Ok, Margo speaks little English. Ok, so she's cheap & I should have expected this, but I wish agencies would say.

I walked in she said, 'hello', I said Hi, how are you doing (being polite etc) & she said 'yes'. Great! So I settled the bill & Margo wondered off counting. She then came back with a towel & said 'shower' smiling & nodding toward a door in the corner. So in a jumped to one of the showers you dread. Hot, then cold, then really really hot, then freezing. Great, not my cocks gone really small too!! The shower had no hook so I had a quick wash all over & dried my self off with the towel. This was actually nice clean & soft - a positive!

I then pop into the bedroom, naked. Margo jumps me, pins me down, giggles, cats bum kisses my lips & throws my cock into her mouth. It was clear Margo was on a mission here, clamped on, head bobbing & sucking away as best she could. Not particularly horny tbh. Anyway, I try to break things up a little, I literally pull Margo up & we kiss. This time nicely, DFK & quite passionately. I start to undress Margo, off comes the pink dress type nighty, then her bra. Then she moves back down to the head bobbing & starts sucking away again. I held on, but not for very long & cum quite quickly. Possibly through nerves & frustration.

Anyway, Margo cleans me up, and back in it goes again, sucking & bobbing away. I end up studying the state of the artex on the ceiling & trying to work out which circle is directly above me.

After a minute or two Margo has got hard again, so now she's really on a mission. She's clamped on & nothings going to stop her.

30 minutes later she finally drains my balls - again. Margo tries, but it's just not for me. I prefer a little interaction. If I'm honest I felt like this was her way of filling the time & getting her monies worth. She cleans my up again & then walks out of the room. We still have about 15-20 mins left. I've learnt my lesson - again, grab my towel & decide to battle the shower again.

When I come out Margo is on the phone. I get dressed, throw on my jacket & she hangs up. She smiles, says good bye, walks to the door & pecks me on the cheek. I don't look back & doubt I'll ever return.

I've ticked yes to recommend as Margo did try & I'm sure she's good for some, just not me. Anyone looking for a quick wham bam - she might hit the spot. She didn't for me.
