The Premises:

As documented, Kandy's, very clean, very tidy, large house with plenty of off road parking, room for loads of cars, shops nearby so you don't look suspicious. Safe quiet area.

The Lady:

Julia is a small woman and is so toned, amazing breasts, tight arse cheeks and just the most amazing smile ever. Was dressed in stockings heels and a black satin robe, which I just loved.

The Story:

I was horny as hell after driving all day and went to Kandys on the off chance that Zara was working. I was initially miffed that Zara wasn't there but then Julia flashed me that gorgeous smile and that was me! Stunning lady, very professional, could talk about anything and we had the coolest of conversations. She hung up her robe and slipped her heels off, offered me a massage which I declined as I was just too horny, so Julia slipped on a rubber and started giving me an amazing blowjob, I am sure her tongue is pierced and it just drove me wild! I had to stop her or I was gonna explode, she then climbed on top and fucked me so hard I thought I was gonna break! When we finished we both had a giggle and she helped clean me up and I was always at ease with her. A quick chat (I could spend the whole night talking to her) and then it was time for me to go, a kiss goodbye then it was back out into the cold! I recommend Julia, I would go back again for more. Infact, Julia and Zara together? now that would be sweet!
